Important Notification: Changes in the Academic Planner due to elections

Dear Parents/ Guardians,

Greetings!

We hope this message finds you well. We would like to inform you about some changes in the academic planner due to the upcoming elections in our city.

In light of the elections, the school has decided to observe May 10th, 11th, and 13th as holidays. This decision has been made to ensure the safety and convenience of our students during this time.

Additionally, we would like to inform you that May 12th will be a regular working day for the school. Students are expected to attend classes/Periodic Tests as usual on this day.

Furthermore, we understand that this change may have an impact on the examination schedule. Therefore, we have decided to reschedule the exam originally planned for May 10th to May 20th, 2023. This will allow students to have adequate preparation time and ensure a fair assessment.

We sincerely apologize for any inconvenience these changes may cause, and we greatly appreciate your understanding and cooperation. Our primary concern is the well-being and academic progress of our students, and we believe that these adjustments will contribute to a positive learning environment.

If you have any questions or concerns regarding these changes, please do not hesitate to reach out to us. We will be happy to address them and provide any necessary support.

Thank you for your ongoing support and cooperation in the best interest of our students' education.

Best Regards
Dr Meenakshi Narula
Principal
