

**Note: Summer Holiday Homework is given in the form of 'Art Integrated Project' in which English, हिंदी, Mathematics, Science, Social science & IT/Computer all are integrated with each other.**

**(Make a PPT or you may make project file)**

**Topic: Population Dynamics: “Analyzing Arunachal Pradesh and Uttar Pradesh”**

- ❖ **Write a short story or poem highlighting the experiences and challenges faced by individuals living in densely populated areas of Arunachal Pradesh or Uttar Pradesh. You may write about environmental degradation, housing shortages, traffic congestion, lack of open spaces, water scarcity etc.**
- ❖ **Create population density maps or diagrams highlighting the cities with high and low population densities in both states. You may use red colour for highly populated cities and green for low populated cities. For example-**
  - a) **High Population Density Cities:**
    - I. **In Arunachal Pradesh: Itanagar, Naharlagun**
    - II. **In Uttar Pradesh: Lucknow, Kanpur, Ghaziabad, Varanasi, Allahabad, Agra**
  - b) **Low Population Density Cities:**
    - I. **In Arunachal Pradesh: Tawang, Bomdila, Roing**
    - II. **In Uttar Pradesh: Rae Bareli, Banda, Jhansi, Mirzapur, Faizabad**
- ❖ **बढ़ती जनसंख्या विषय पर 'छोटा परिवार सुखी परिवार', 'बच्चे दो ही अच्छे' जैसे अन्य उद्घोष ए 4 कागज पर रचनात्मक तरीके से लिखें और कक्षा में सुनाएँ।**
- ❖ **Select some famous cities of Arunachal Pradesh and Uttar Pradesh and write their population and also arrange the data in ascending and descending order.**
  - a) **Write 5 disadvantages of increasing population growth. How this affects the overall development of the country at the global level?**
  - b) **Write the data in Indian and International number system.**

- c) Add the population of different cities of each state and subtract to find the difference. Which state has more population?  
d) Find the face value and place value of each value/number.

Thank you  
Happy Holidays
