

**Note: Summer Holiday Homework is given in the form of 'Art Integrated Project' in which English, हिंदी, Mathematics, Science, Social Science & IT/Computer all are integrated with each other.**

**TOPIC : Threading the Diversity**

( Make a PPT or you may make a beautiful project file )

- ❖ Fibre & Fabrics : Write about Plant Fibre which are used in making different kinds of fabrics (clothes). Write the sources, states and production - demand ratio of various plant and animal fibres. Relate your answer to Uttar Pradesh & Arunachal Pradesh.
- ❖ Collect different fibres or fabric pieces available at your home ( e.g. Silk, Wool, Cotton, Jute etc.) and create your own designer attire on A-3 sheet (2-D) or 3-D form.

e. g. - Student name is Riya.

- ❖ Find out 10 common nouns from the paragraph given below, write meanings and also frame sentences.

**Fabrics and fibers play a crucial role in our daily lives. They encompass a diverse range of materials that shape our clothing, textiles, and more. Cotton, with its softness and breathability, is a beloved natural fiber that lends itself to comfortable garments. Wool, derived from sheep, provides warmth and insulation, making it ideal for cozy sweaters and blankets. Silk, a luxurious fiber spun by silkworms, exhibits a smooth and lustrous texture, often used in elegant attire. Synthetic fibers like polyester and nylon offer durability and versatility, suitable for athletic wear and outdoor gear. Linen, crafted from flax plants, is known for its lightweight and cooling properties, making it perfect for summer garments. Fabrics and fibers, through their varied characteristics, cater to our functional, aesthetic, and comfort needs in countless ways.**

- ❖ Paste your picture in the **Traditional Attire** of Uttar Pradesh or Arunachal Pradesh. Write the importance of the traditional attire in Hindi. What we call "**Photo**" in Sanskrit, Japanese or French?
